RE: Freedom of Information Act Request No. 04-FOI-00115-10

Dear Ms. Greenston:

This letter is in response to your Freedom of Information Act (FOIA) request of November 12, 2009, regarding the Weyerhaeuser Company "Pine Hill Mill" facility located at 7616 Highway 10 West, in Pinehill, Alabama and the Prattville Mill facility located at 100 Jensen Road, in Prattville, Alabama.

Enclosed are some of the records responsive to your request. However, after reviewing all requested records with an eye toward disclosure, we are unable to provide you with the documents or portions of documents which have been determined to be exempt from mandatory disclosure by virtue of 5 U.S.C. § 552(b)(5). An index of the records being withheld is enclosed.

Exemption 5 of the FOIA protects "inter-agency or intra-agency" memorandums or letters which would not be available by law to a party in litigation with the agency. The documents being withheld under Exemption 5 fall under the deliberative process privilege.

The most commonly invoked privilege incorporated within Exemption 5 is the deliberative process privilege, the general purpose of which is to "prevent injury to the quality of agency decisions." Specifically, three policy purposes consistently have been held to constitute the basis for this privilege: (1) to encourage open, frank discussions on matters of policy between subordinates and superiors; (2) to protect against premature disclosure of proposed policies before they are finally adopted; and (3) to protect against public confusion that might result from disclosure of reasons and rationales that were not in fact ultimately the grounds for an agency's action.

The cost of providing this information is \$105.75, which you authorized for payment on November 12, 2009. An itemized invoice covering the charges for processing your request is enclosed. The Fee Schedule and Payment Procedures attached to the invoice explain the interest and handling charges that will be incurred if payment is not received within 30 days. Please forward your check or money order, made payable to the U. S. Environmental Protection Agency, within 30 days of the date of this response to the following address:

FOIA and Miscellaneous Payments
Cincinnati Finance Center
P. O. Box 979078
St. Louis, Missouri 63197-9000
RE: 4-FOI-00115-10

To ensure proper credit for your payment, your check or money order should refer to the FOI number above and should be accompanied by a copy of the enclosed Bill for Collection. Your prompt remittance of the amount indicated will be appreciated.

If you consider this response to your request to be a partial denial, you may appeal this response to the National Freedom of Information Officer, U.S. EPA, Records, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, D.C. 20460, (U.S. Postal Service Only) FAX: (202) 566-2147, E-mail: hq.foia@epa.gov. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, N.W. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, D.C. 20004. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal should include the FOI number listed above. For the quickest possible handling, the appeal letter and its envelope should be marked "**Freedom of Information Act Appeal.**"

Should you have any questions regarding the withheld information or appeal procedures, please contact, Priscilla Johnson, FOIA Coordinator, Office of Environmental Accountability, who reviewed these records for withholding at (404) 562-9614.
